

Wighton "New" Cemetery opened in November 1938 and is maintained by Wighton Parish Council. The cost of maintenance and repairs is taken from the annual Precept the Parish Council receives from North Norfolk District Council and Cemetery Fees, which are shown below. Repairs have been carried out to strengthen the brick pillars supporting the gates and new walls have been built either side of the brick pillars. New gates have been made and fitted and there is a small parking area to the side of the Cemetery.

Whilst every effort is made to keep the Cemetery in a clean and tidy condition, it would be greatly appreciated if the burial plots could be kept tidy and any dead flowers removed and disposed of by family members. Thank you.
