

Intention to send Planning Applications via the Internet rather than the large paper diagrams and forms received through the post at present.
Parochial Church Council of All Saints Church re Church Notice Board - all present in agreement.
Parish Paths Seminar, Dereham, Monday 13th June - Cllr.T.Guillory to attend.

Any Other Business

The Clerk reported that a very pleasant evening was had by visitors and residents at the beacon lighting to celebrate the Queen's 90th birthday. Special thanks to Margaret Brett Reynolds and helpers for preparing and serving the bacon rolls which appeared to be enjoyed by all.
Cllr.J.Savoury raised the matter of dog fouling in the village in that although some owners were picking up after their dogs, rather than taking it home for disposal they were throwing the bags into hedges or dropping them in drive-ways, and asked if there was a chance of having collection bins. It was agreed that the Clerk contact a couple of Parish Councils who had collection bins to ascertain their opinion with regards to the use of them..

Next Meeting - Monday 8th August 2016 at 7.30pm in the Methodist Chapel.

There being no further business, the meeting closed at 8.25pm.
