

A letter had been written to Mr and Mrs Timothy Williams, Chalk Farm Barn, thanking them for so kindly replacing the old village seat by the War Memorial with a new one. Councillor George Brett Reynolds reported that one of the window panels in the bus shelter had been broken and that a road sign was missing before the hump back bridge on the Walsingham Road which could prove dangerous if driving along the road at speed. The Clerk was asked to order a new window panel from Glasdon and to contact Highways with regard to the missing sign.
