Minutes and Matters Arising

Minutes of the meeting held on Monday 11th November2019 were approved and signed by the Chairman.

<u>Peas Green.</u> It was thought that Hubert Spalding may be the person who might have evidence of the status of the land, and councillors will try to contact him. <u>Common grass.</u> The clerk contacted Holkham Estates Office to ask why the grass had not been cut. It appears that this was due to a break down in communication between the two departments concerned and we are assured that arrangements have been made that from 2020 the grass will be cut at least once a year. <u>Fallen tree(s) on the Common.</u> As the Common is so wet at the moment we will

wait for the land to dry out before taking further action.
